MEMORANDUM FOR: [REDACTED]

STATINTL

SUBJECT:

S. 3617 "To strengthen and expand the Headstart program, with priority to the economically disadvantaged, to amend the Economic Opportunity Act of 1964, and for other purposes."

1. Attached is the child day care legislation as it passed the Senate and which is now before the House Committee on Education and Labor. Section 301 (f) on page 61 does authorize the Secretary of HEW to provide financial assistance to establish and operate child care programs for the children of employees of the Federal Government.

2. You may wish to review this bill in closer detail since other sections, i. e., Section 110 on page 52 and Section 306 on page 72, appear to affect any program established for the Agency. We will follow the bill closely through the House and undoubtedly eventual conference deliberation. We may seek assistance of Committee staff members if you feel a need for clarification in certain areas.
